

Be An Earth Hero!

We offer environmental stewardship opportunities that students love!

The Pacific Beach Coalition welcomes youth and student volunteers of all ages to earn credit and complete their service hours while giving back to the community and learning more about protecting and preserving our ocean!

Volunteer time can be applied towards earning credit or fulfilling community service requirements.

One Time Volunteer Experience:

- Participate in a beach cleanup or habitat restoration (2 hour event)
- Help at a large event (2-4 hours)
- Gather data for Coastal Cleanup Day (2-10 hours in September)
- Document PBC's programs and activities through pictures and videos (1-3 hours)

Joining the Junior Team:

- Become a Junior Site Captain (2 hours/month)
- Write blog posts for PBC's website (1+ hours/week)
- Help with outreach (1+ hours/week)
- Take ownership of a new environmental campaign (2+ hours/week)

Why Join the Junior Team?

- **Social events:** Regular events such as: bowling, hikes, tide pooling, youth-only cleanups, environmental talks, member meetings, and more
- **Grow leadership skills:** Junior Site Captains host monthly cleanups and lead environmental projects
- **Gain marketing skills:** Document PBC's stories and help create blog posts or videos
- **Earn Community Service hours:** Action events can apply for CS Hours
