

TEEN COASTAL STEWARDS WANTED!

Environmental stewardship opportunities for high school students!

The Pacific Beach Coalition welcomes teen volunteers to earn community service hours while giving back to their community.

One Time Volunteering:

- Participate in a beach cleanup or habitat restoration event (2 hours per event). PBC events occur every weekend at 10+ locations on the Bay Area's Peninsula.
- Complete Street to Beach Cleanups at the location of your choosing (1+ hr). Record your effort through CleanSwell app and follow up with us for verification via e-mail.

Ongoing: Join our Teen Program

- Teen Site Captain (2 hrs/month) assist in running cleanup and habitat restoration events, under supervision of trained adults, for dedicated high school students only.
- Volunteer at annual special events like July 4th cleanup, Earth Day, California Coastal Cleanup Day, and other occasions.
- For high school aged students

- **Join social events:** Various events like hikes, tidepooling trips, youth-only cleanups, environmental talks, member meetings, are available to PBC teen-only social events.
- **Grow Leadership skills:** Teen Site Captains assist with monthly cleanups and can lead environmental projects of their choosing.
- **Gain Communication skills** by speaking with the volunteers who attend events via giving directions to volunteers during events, giving a short speech at events, and documenting PBC stories through blog posts, or creating social media posts. Social media internships are a possibility.
